## **APPLICATION LETTER**

**Dear Sir or Madam:**

This letter is to introduce myself and to let you know of my interest in becoming a part of your company. The enclosed resume will furnish you with information concerning my overall training, education and skills. I assure you that I can successfully fulfill any obligations requiring of any responsibility upon your company.

I am a graduate of **Adama Science and Technology University** and hold a Bachelor's degree in Computer Science and Engineering with **Major GPA 3.48** and **CGPA 3.37**. My current objective is to obtain a position that will fully utilize my skills and offer an opportunity for continued professional growth.

I have an experience in **Django framework** and as group we build Beer sales and distribution system for BGI Ethiopia in BSc Project and we are **5<sup>th</sup> best project winner** from computer science and Engineering department and I received recognition paper from department dean Dr Biruk Yirga Nidaw.

I also have other certificates for **CISCO certificate of completion, Cybersecurity** and many more short online courses. I believe in excellence and have always dedicated myself, talents and creative abilities to assure the successful accomplishment of any company goals. My positive attitude and willingness to give 100% makes me a valuable asset to any organization that would employ me. I am confident that my skills will be an asset and have a favorable impact in your organization.

I look forward to hearing from you in the near future and hopefully to schedule an interview in which I hope to learn more about your company. Please note that I am available for interview at any convenient time. Thank you for your time.

Sincerely,

Efrem Yohanis Anbese
